

Service Animals

410.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA). This policy applies to all personnel.

410.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

410.2 AUTHORITY AND REFERENCES

- Executive Committee;
- The Americans with Disabilities Act of 1990 (ADA);
- Title 28 Code of Federal Regulations §§ 35.104, 35.136, 35.136(b), 35.136(f), 35.136(i), & 36.302;
- California Health and Safety Code § 113903.

410.3 POLICY

It is the policy of the Riverside County Probation Department to provide services and access to persons with service animals in the same manner as those without service animals. Department personnel shall protect the rights of persons assisted by service animals in accordance with state and federal law.

410.4 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.

Service Animals

- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

410.5 PERSONNEL RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Personnel are expected to treat individuals with service animals with the same courtesy and respect that the Riverside County Probation Department affords to all members of the public (28 CFR 35.136).

410.5.1 INQUIRY

If it is apparent or if personnel are aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, personnel should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

410.5.2 CONTACT

Service animals are not pets. Personnel should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

410.5.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health and safety of others, or unreasonably disrupts or interferes with normal business operations, personnel may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Riverside County Probation Department

Policy Manual

Service Animals

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Personnel of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

410.5.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, personnel should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, personnel should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).
